Green Solution

Yonwoo maintains various of eco-friendly products based on the 5R. As a leader of cosmetics packaging industry, we continuously strive to contribute sustainable activities for environment.

REDUCE
A product that reduces weight compared to existing products in order to reduce the amount of plastic used

REFILL (REUSE)
Products that can be reused by refilling or inserting cartridges after using up the formulation

RENEWABLE
Raw materials from bio or sustainable sources, not plastics from petroleum

RECYCLED
Products made using recycled materials instead of the use of virgin materials

RECYCLE (RECYCLABLE)
Products consisting of PE, PP, and PET that are easy to recycle plastic

Packaging designing for sustainability

Developing sustainable packaging while reducing the amount of plastic usage at the same time.

One Material Pump

One Material Tube & Bottle

Sustainable packaging achievements

Yonwoo was recognized for one of the world-best cosmetics packaging production capabilities and technologies by winning global packaging awards.

Global eco-friendly certifications

We are participating in a worldwide circular economy improvement by receiving multiple eco-friendly international certifications.

HISTORY

Yonwoo Co. Ltd. was established in 1983 as a manufacturer that specializes in packaging materials for cosmetic and personal care products. Yonwoo has played an integral role in the developing cosmetic and personal care products industry. They have done this with the support and unity of each and every employee, with business goals focused on quality and customer satisfaction, with knowledgeable management, and with the realization of philanthropic activities for social salvation. They have been a model to other Korean companies that compete in the global market. Yonwoo is located in Incheon, Korea and has accomplished localization of the manufacture of dispenser pumps and containers for cosmetics and personal care products. It's continuous research and development in the pursuit of high quality has made it the premier manufacturer of Airless container and dispensing systems.

- ◆ **1983**
 - Established as YONWOO Industry
- ◆ **1990**
 - Developed cosmetic dispensing pump in Korea primarily
- ◆ **1999**
 - Selected Promising Small and Medium-sized Export Firms by Small and medium Business Corporation
- ◆ **2000**
 - Certified Venture company
 - Awarded Michuhol prize by the Small and Medium Business Administration
- ◆ **2001**
 - \$ 3 MIL Export Award
- ◆ **2003**
 - Certified ISO 9001:2008 Quality Assurance system by government
 - \$ 5 MIL Export Award
- ◆ **2005**
 - \$ 10 MIL Export Award
- ◆ **2006**
